Mr. Richard Heimlenet
Family Attorney Unserul
The Department of Justice
Washington, D.C.

Dear Mr. Heimlenet,

In response to your letter to Mr. Jon Vervold wanting that quite there was a case in court I address you through him, you got a letter under date of September 29 to which you never ever replied. Unless your request was a ploy to further interfere with the kind of research I would think the Department of Justice would least want to see, to which I still proceed some kind of meaningful response. Two kids for a point in time very critical matters will be brought in court.

There are other letters, raising proper points, to which there also have been no responses. I therefore eventually suggest that you arrange for these situations to be answered in some meaningful way. Mr. Heimlenet as of a letter of September 29 responsible to nothing.

It is now as a fund raiser seeks since I filed a Writ of Habeas Corpus with motion for a preliminary injunction from our activities in behalf of Mary Virginia Ferry and Daniel in Westbrae, Queens and Bronx, et cetera et cetera et cetera. Attorney it may be a like route to take while to you. I appreciate that non-lawyers have the rights are not in vain. A kick in the pants to letter of the 29 of September time is.

All of this is, in my opinion, quite inconsistent with the principal premises to which you and your client is going. Sincerely yours,

Harold Weisberg
